Our Famous Handmade Cheeses, Meats & Honey

Husker Cheese Our most popular cheese variety. A soft, milk-white colored cheese with a mild flavor. It was developed right here at the University of Nebraska-Lincoln by Dr. P.A. Downs.

Husker with Jalapeño Our popular Husker cheese with the added kick and flavor of jalapeños.

Husker-N-Gold A yellow and white marbled cheese produced from a mixture of Husker cheese and Colby cheese.

Husker with Tomato Basil Just the right amount of dried tomato and sweet basil added to Husker cheese to create a unique melt-in-your-mouth taste.

Husker with Spinach & Artichoke A flavorful, spicy variant of Husker cheese combined with the great taste of spinach, garlic and artichoke.

Sharp Cheddar An aged yellow-orange cheese with rich, tangy flavors. Our sharp cheddar has been aged 1+ years.

Smoke Cheddar A robust cheese with a deliciously distinctive smoked flavor.

New York Cheddar A white cheddar with a wonderful, sharp flavor. It is aged for a minimum of nine months to obtain its distinctively creamy taste.

Summer Sausage Fermented and aged with the tangy, smoky taste of traditional summer sausage.

Cooked Salami Traditionally American with a spicy old world taste, fragrant aroma and a smooth, pleasing texture.

Smoked Sausage with Jalapeños A spicy beef and pork sausage with fresh diced jalapeño peppers combining "South of the Border" flavors.

Smoked Sausage with Sweetened Dried Cranberries An old-fashioned sausage with the sweet flavor of dried cranberries. A rich, fruity addition to a traditional sausage.

Nebraska Honey Nature's sweetener, a pure and natural product of honey bees foraging on clover, alfalfa and fruit blossoms.

Your selection was produced with the help of UNL student employees with uncompromising quality and care.

You can feel good knowing that you are insuring jobs and experiential learning opportunities for students and directly supporting UNL's educational mission.
